THIS COMMUNITY CARES

- Arlington and Marysville have many generous people who want to help others.
- Please consider keeping your wallet closed when approached by panhandlers.
- Panhandling is a community-wide problem that adversely impacts our cities' and neighborhoods' images, local businesses, and perception of public safety.
- When you give money to a stranger, you can't know how it will be spent.
- If we stop giving cash to panhandlers, their behavior won't be rewarded and is likely to decrease.

Because you care, we want you to know that Marysville and Arlington have several free resources for people who need hot meals, groceries and/or clothing.
Feel free to share this information with those who may be in need.
When you want to donate, please consider giving to a local charity instead of to panhandlers.
