Goals and Objectives (Page 9)

1. The City has adopted a funding source for public art, 10 percent of construction sales tax.
2. The City desires to integrate art into public places within public and private projects to improve the resident and visitor experience and the economic vitality of the City through enhancement of public spaces.
3. The City will implement plan to create a visually and functional superior environment through art.

GENERAL REQUIREMENTS

Funding: There is no match required for this funding; however, if matching funds are proposed, please indicate in the budget section of the application. Funding is granted as a reimbursement, unless arrangements are made with the City or if purchased directly by the City. Projects are expected to be completed within the year. The average size award may be \$5,000.

Cooperative Projects: Describe partnership.

The City will create an agreement between the successful applicant and City, detailing which parties are responsible for installation, maintenance, and ownership. Please provide letter of permission from property owner where public art is proposed, if property is not City owned.

Application for 2020 Public Art Funding

What is public art? Artwork permanently or temporarily placed in a public space. It can be placed inside or outside, be representational or abstract. It can be integrated with architecture, landscape or infrastructure. It can be functional, commemorative, decorative, or interactive. Public art contributes to the visual character of the community, creates a sense of place, and celebrates culture and history. Public art should inspire conversation.
