Park Project Donations

The City works hard to utilize its budget to manage, maintain and expand park and recreation opportunities in the community. But we cannot do it alone. We often look to businesses, community organizations, grant opportunities and individuals to help offset the costs. Here are some areas you can help:

- **Playground Play equipment:** Playground equipment requires a \$1000 and up donation toward the playground fund. Please contact us for more information.
- **Public Art-** The Arlington Arts Council partners with the City to provide public art for public spaces. If you are interested in contributing to the public art fund, please contact the recreation office at 360-403-3448.
