

THIS COMMUNITY CARES

- Arlington and Marysville have many generous people who want to help others.
 - Please consider keeping your wallet closed when approached by panhandlers.
 - Panhandling is a community-wide problem that adversely impacts the images of our cities and neighborhoods, local businesses, and perception of public safety.
 - When you give money to a stranger, you can't know how it will be spent.
 - If we stop giving cash to panhandlers, their behavior won't be rewarded and is likely to decrease.
 - Feel free to share this information with those who may be in need.
- When you want to donate, please consider giving to a local charity instead of to panhandlers.
