Termination of Interlocal Agreement (ILA) with North County Regional Fire Authority (NCRFA)

City Administrator Paul Ellis reviewed the discussion with NCRFA. The termination date will be the last date signed by either party. The City will be responsible for all services provided through the termination date within thirty (30) days following receipt of a final invoice from NCRFA. Discussion followed with Mr. Ellis answering Council questions.

Establishing Fees for Airport Long Term Parking and Amendment of Fee Resolution for Body-Worn Camera Video

City Airport Director Dave Ryan reviewed the Airport's request for a new fee and rate structure. The airport would like to start charging customers for long term vehicle parking at the Airport on landside designated parking area. Staff proposed a \$30 monthly charge for

parking (\$1 a day). This money would be applied into the Airport budget. Discussion followed with Mr. Ryan answering Council questions.

City Attorney Steve Peiffle reviewed the need to update the fee resolution.
