## 211th Place Corridor Improvement Project - Schedule

City of Arlington | March 2024

# Summary:

In Summer of 2024 the City will be making upgrades to the infrastructure on 211th Pl NE by adding a pedestrian and bicycle path, repaving the roadway, and improving utilities along between 67th and SR 530.

## Project Benefits

- Provide Shared Use Path and landscape planter on south side of 211th Pl. NE
- Provide pedestrian lighting along 211th Pl. NE
- Improve stormwater and water infrastructure improvements
- Rehabilitate roadway pavement
- Improve 67th Ave NE intersection for freight

**01**  
STREET IMPROVEMENTS  
*with traffic calming measures*

**02**  
PEDESTRIAN SAFETY

**03**  
ENHANCED LIGHTING  
*to better light the corridor*
