I live in Gleneagle I am letting the city of Arlington I am objecting to this Galvanized Processing Plant to be right by Gleneagle House Development.  
Our children & grandkids get on the school bus right where this is supposed to be located.  
I also don't think it should be anywhere in Arlington because of the Health risks involved with this company.  
Is Arlington not even worried about this.  
We are all pay our Taxes  
Ps I never got any notice in the mail of this issue.
