Hello Amy Rusko,  
Hope you are well.

We reside in the Gleneagle housing community. As residents and taxpayers, we adamantly oppose the approval of the hot-dip galvanizing business on 67th Avenue in Arlington. We would never welcome this type of business, not in a million years-not ever. We are certainly not in favor of the obvious health endangerment due to toxic fumes that could spew throughout the Gleneagle neighborhood. Please seriously consider NOT approving the proposal for this business.

Thank you,  
Audrey & Larry Conner
