Hello! I am Kristina Egorova and I just now to know what a proposal has been submitted to establish a hot dip galvanizing process plant in the next of Gleneagle. I am living in 7808 Boreal ct , Arlington, WA 98223. I and my husband are against it due to this a hot dip galvanizing process plat is dangerously for our health , this produces so toxic fumes . Please make arrangements for cancellation, because this location is unsuitable for metal chemical processing activities, especially given its placement in the centre of a residential area.
