Dear Ms Rusko,

I'm emailing you regarding the proposed Hot Dip plant. I and my husband are opposed to this plant!

I was operated on for a brain tumor. I underwent nine hours of surgery, spent three weeks in Neuro Intensive Care and underwent weeks of radiation. The remaining tumor is inoperable. I had only a 35% chance of surviving.

I'm an athlete and it took me a year to return to walking my five miles a day. So obviously I do not need to be inhaling toxic fumes. Please do not support this plant.

Thank you and I look forward to hearing from you.

Linda Ferguson
