Hello Amy,

We are Gleneagle residents and we were recently made aware of a proposed galvanizing plant at 18520 67th Ave. The location is too close to our populated neighborhood and we are asking that this proposal be denied.

We have children as do many neighbors and this type of manufacturing would produce fumes and air toxins with health impacts that re alarming.

Please take a stand for the residents and deny this proposal.

Thank you,
Aaron and Dazzle Thompson
