**Subject:** Dip galvanizing plant

Amy

This email is to express our concern and opposition to the proposed hot dip galvanizing plant for 18520 67th Avenue, Arlington. This is directly across 67th Avenue from the Woodlands Way entrance to Gleneagle next to the duck pond and near Ironwood Place apartments under construction.

For a processing plant to be located so near a dense population potentially poses risks to health and environment.

We and our neighbors strongly urge the City of Arlington to reject this application and find no reason this processing plant should be located at this address.

Please keep us informed of this proposal as it advances from your office to the hearing examiner and city government.

Thank you

Steve Maisch, Holly Sloan-Buchanan  
6811 Woodlands Way  
Arlington, WA 98223
