Subject: Hot Dip Galvanizing Plant on 67th in Arlington WA
Date: Tuesday, June 25, 2024 9:43:29 AM

This message is from an External Sender

This message came from outside the City of Arlington

To whom it may concern,

I am writing to express my concern over the Hot Dip Galvanizing Plant that has been proposed to the city on 67th Ave in Arlington Wa. This location is right in the heart of a residential area consisting of thousands of homes, apartments, many schools, preschools, parks, and a biking and walking trail just to name a few of the locations that will be impacted and exposed to dangerous and toxic fumes that hot dip galvanization produces. Please do not allow such a plant to poison the air in the heart of our city.

Thank you,
Jessica Preder
