Subject: Galvanizing process plant at 18520 67th Av Proposal
Date: Tuesday, June 25, 2024 10:47:06 AM

This message is from an External Sender
This message came from outside the City of Arlington

Dear Ms Rusko,

I has been brought to my attention that there is a proposal to develop a Hot Dip Galvanizing process plant at 18520 67th Av in Arlington near the Gleneagle development and golf course. I am concerned that the exposure to lead and zinc and other harmful elements that their proximity to our living area would present. I am asking that this proposal be denied.

Thank you for your attention in this matter. Please feel free to call me at 425.293.4594 or via return email if you have any questions.
