Hi, my name is Taylor Kasony @ 6707 Oakwood Pl in Arlington. I wanted to express my concerns over the potential processing plant at 18520 67th Ave. The city is putting in new apartments nearby, in addition to a lot of other residential homes surrounding the area. I live nearby. I don't think it's a good idea to add this new industrial plant right next to all these homes. Is there another location you can use?

All my best,
Taylor
