Description of Proposed Project: The 2022 Preliminary Docket is a list of proposed amendments to the City's Comprehensive Plan and Development Regulations. Under state law, comprehensive plans can only be amended once annually, so all proposed changes for a given year are considered concurrently. Once the preliminary docket is reviewed by the Planning Commission at a public hearing, the Planning Commission makes recommendation to the City Council on which docket items should be placed on the Final Docket. Approval of the Final Docket is required by the City Council. A copy of the 2022 Preliminary Docket is attached to this notice and can be found on the City of Arlington's website, under public notices: <https://www.arlingtonwa.gov/310/Public-Notices-Hearings>.
