Should any Authority or any third party demand that a cleanup plan be prepared and that a cleanup be undertaken because of any deposit, spill, discharge, or other release of Hazardous substances that occurs during the Term of this Lease, at or from the Premises or on the Airport, or which arises at any time from Lessee's use or occupancy of the Premises or the Airport, then Lessee shall, at Lessee's own expense, prepare and submit the required plans and all related bonds and other financial assurances; and Lessee shall carry out all such cleanup plans.
- d. Lessee shall promptly provide all information regarding the use, generation, storage, transportation, or disposal of Hazardous Substances that is requested by Arlington. If Lessee fails to fulfill any duty imposed under this Paragraph 14.3 within a reasonable time, Arlington may do so; and in such case, Lessee shall cooperate with Arlington in order to prepare all documents Arlington deems necessary or appropriate to determine the applicability of the Laws to the Premises and Lessee's use thereof, and for compliance therewith, and Lessee shall execute all documents promptly upon Arlington's request. No such action by Arlington and no attempt made by Arlington to mitigate damages under any Law shall constitute a waiver of any of Lessee's obligations under this Paragraph 14.3.
- e. Lessee's obligations and liabilities under this Paragraph (14.3) shall survive the expiration of this Lease.

12.4 Lessee's Indemnity.

- a. Lessee shall indemnify, defend, and hold harmless Arlington, its elected and appointed officials, agents, and employees from all fines, suits, procedures, claims, and actions of every kind, and all costs associated therewith (including attorneys' and Lessees' fees) arising out of or in any way connected with any deposit, spill, discharge, or other release of Hazardous Substances that occurs during the term of this Lease, at or from the Premises, anywhere on the Airport as a result of the Lessee's activities and/or involving Lessee's equipment and/or employees or which arises at any time from Lessee's use or occupancy of the Premises, or from Lessee's failure to provide all information, make all submissions, and take all steps required by all Authorities under the laws and all other environmental laws.
- b. Lessee's obligations and liabilities under this Paragraph 14.4 shall survive the expiration of this Lease.

12.5 Compliance With Future Laws.

Lessee shall comply with all federal, state, county, municipal, and other governmental laws, ordinances, rules and regulations now or hereafter affecting the Premises, Lessee's business, or any activity or condition on or about the Premises, including, without limitation, all environmental laws and any other laws relating to the improvements on the Premises or the air in and around the Premises (collectively, the "Laws"). Lessee warrants that its

business and all activities to be conducted or performed in, on, or about the Premises shall comply with all of the Laws. Lessee agrees to change, reduce, or stop any such activity, or install necessary equipment, safety devices, pollution control systems, or other installations at any time during the lease to so comply.

If, during the lease Lessee is required to alter, convert, replace the HVAC system serving the Premises in order to comply with any of the Laws concerning indoor air pollution or quality, or in order to meet any applicable limitation on, standard for, or guideline relating to indoor air quality or the emission of any indoor air pollutant, including, without limitation, those adopted by the Occupational Safety and Health Administration, the American Society of Heating, Refrigeration, and Air Conditioning Engineers, or the Environmental Protection Agency, Lessee shall be responsible for paying all costs or any such conversion or replacement, including without limitation, the purchase and installation of new equipment, and the alteration of existing HVAC equipment in the Premises to accommodate any new equipment.

Each party agrees to comply with all local, state and federal laws, rules, regulations or statutes requiring the submission, reporting, or filing of information about the storage, use, or discharge of chemical or other substances at the Premises or in the Building, and provide to the other a full copy of any such filing or report as submitted within 15 days of such submission. Arlington also agrees to provide Lessee with a copy of any such filing or report made by any other Lessee in the Building within 30 days of the date Arlington files or receives a copy of such submission.

12.7 Limited Use of Hazardous Substances by Lessee.

"Hazardous Substance" means any pollutant, contaminant, toxic or hazardous waste, dangerous substance, potentially dangerous substance, noxious substance, toxic substance, flammable, explosive, radioactive material, urea formaldehyde foam insulation, asbestos, PCBs, or any other substances the removal of which is required, or the manufacture, preparation, production, generation, use, maintenance, treatment, storage, transfer, handling or Ownership of which is restricted, prohibited, regulated or penalized by any and all federal, state, county, or municipal statutes or laws now or at any time hereafter in effect, including but not limited to, the Comprehensive Environmental Response, Compensation, and Liability Act (42 U.S.C. secs. 9601 et seq.), the Hazardous Materials Transportation Act (49 U.S.C. secs. 1801 et seq.), the Resource Conservation and Recovery Act (42 U.S.C. secs. 6901 et seq.), the Federal Water Pollution Control Act (33 U.S.C., secs. 1251 et seq.), the Clean Air Act (42 U.S.C. secs. 7401 et seq.), the Toxic Substances Control Act, as amended (15 U.S.C. secs. 2601 et seq.), the Occupational Safety and Health Act (29 U.S.C. secs. 651 et seq.), Arlington Airport's Spill

Prevention Control & Countermeasure (SPCC) Plan, and the Airport Fuel Regulations, as these laws, plans, and regulations have been amended or supplemented.

The Lessee shall not use in any way, or permit or suffer the use of the Leased Premises or any part thereof or the Airport in general, to either directly or indirectly prepare, produce, generate, manufacture, refine, treat, transport, store, maintain, handle, dispose of, transfer, or process any Hazardous Substance as defined herein, unless it has received the prior written consent of Arlington, which may not be unreasonably withheld.

Any substance which Arlington permits the Lessee to treat, store, transfer, or dispose of must be done in strict compliance with any and all federal, state, county, or municipal statutes or laws now or at any time hereafter in effect, including but not limited to the Comprehensive Environmental Response, Compensation, and Liability Act (42 U.S.C. secs. 9601 et seq.), the Hazardous Materials Transportation Act (49 U.S.C. secs. 1801 et seq.), the Resource Conservation and Recovery Act (42 U.S.C. secs. 6901 et seq.), the Federal Water Pollution Control Act (33 U.S.C., secs. 1251 et seq.), the Clean Air Act (42 U.S.C. secs. 7401 et seq.), the Toxic Substances Control Act, as amended (15 U.S.C. secs. 2601 et seq.), the Occupational Safety and Health Act (29 U.S.C. secs. 651 et seq.), Arlington Airport's Spill Prevention Control & Countermeasure (SPCC) Plan, and the Airport Fuel Regulations, as these laws, plans, and regulations have been amended or supplemented.

Lessee hereby agrees that the premises may not be used for any purpose which, in Arlington's sole discretion, exposes the building or those occupying it to an unreasonable danger of exposure to electromagnetic rays and/or fields. Breach of this provision by Lessee shall entitle Arlington, in addition to any other remedies which it may have, to injunctive relief, it being acknowledged that monetary damages are insufficient.

12.8 Right to Confirm Lessee's Environmental Compliance.

Lessee shall fully cooperate in allowing, from time to time, such examinations, tests, inspections, and reviews of the premises as Arlington, in its sole and absolute discretion, shall determine to be advisable in order to evaluate any potential environmental problems. Arlington expressly reserves the right to conduct examinations, tests, (including but not limited to a geohydrologic survey of soil and subsurface conditions), inspections, and reviews of the premises as Arlington in its sole and absolute discretion may determine to be necessary.

The right reserved to Arlington in this provision to conduct such examinations, test, inspections, and reviews of the premises as Arlington, in its sole and absolute discretion, shall determine to be advisable shall be exercised by Arlington in a reasonable fashion. More specifically, no such test shall be

conducted during the normal business hours of Lessee, unless Lessee specifically agrees otherwise. Arlington shall take all reasonable steps to restore the premises to the condition in which they existed prior to the taking of such steps. Arlington shall take all reasonable steps to ensure that no conditions on the premises associated with such testing shall create an unreasonable risk or an unreasonable hazard.

13. WASTE WATER. This lease is subject to all statutes and regulations of the state of Washington with respect to waste water disposal. If Lessee's use of the premises results in the discharge or the potential for discharge of any waste waters other than domestic waste waters from the premises, Lessee shall immediately apply to the Washington State Department of Ecology for a State Waste Water Discharge Permit. Lessee shall advise Arlington which storm drains or other waste water facilities Lessee will utilize in disposing of waste waters. Arlington may designate storm sewers or other facilities which Lessee may use to dispose of waste waters. Sanitary sewers shall not be used for storm drainage or the discharge of any effluent deemed by the Airport Director to be harmful to the sanitary sewer system. No hazardous or toxic materials shall be discharged into the sanitary or storm sewer systems. Lessee shall complete the Industrial/Commercial Waste Discharge Permit application.
14. WETLANDS. Lessee shall not damage or destroy and shall maintain and preserve Wetlands existing on the leased premises. Any wetlands destroyed by Lessee shall be replaced as required by law.
15. ASSIGNMENT AND SUBLETTING.
 - 15.1 This lease may be assigned by Lessee in whole only and not in part, and only with the prior written consent of Arlington, to an assignee such as a bank for security for money loaned or advanced to Lessee for construction on the premises or other business purposes of Lessee, or to an assignee other than for security purposes whose use of the premises has prior to such assignment been approved in writing by Arlington. In such latter case, such assignment may only be made to an assignee for a use of the premises for such business purpose as is consistent with the zoning restrictions for the premises. Finally, in such latter case, the assignee must be shown to Arlington to be of such financial standing and responsibility at the time of such assignment as to give reasonable assurance to Arlington of prompt payment of all rents and other amounts to be paid under this lease, and of full compliance with all other terms, covenants, conditions and provisions of the lease. No such assignment may be made or be of any force or effect if at the time of such assignment Lessee is in default in any of the terms, covenants, conditions and provisions of the lease, including default in the payment of rent; provided, however, the assignee may cure the default(s) prior to taking possession of the premises. No such assignment for any purpose shall be of any force or effect unless Arlington first shall in writing have consented to said assignment and has received a true copy of the proposed assignment. Arlington may not refuse to consent to such assignment for any purpose hereinabove set forth. Such assignment shall

include the then-unexpired balance of the term of this lease.

- 15.2 Lessee may sublet the whole or any portion of any buildings on the premises, but not the real property (other than that part of the real property which is beneath the buildings), to a subtenant or subtenants; provided: (1) that the use to be made of the buildings is consistent with zoning restrictions and federal grant assurances for the premises and federal grant assurances, (2) Arlington has in writing given its consent prior to the sublease being effective, (3) Arlington has received a true copy of the proposed sublease, and said sublease includes a section stating that the sublease is bound to the conditions of the master lease, (4) the subtenant shall meet the insurance requirements of the primary lease, which shall be evidenced by the Lessee providing proof of insurance for all subtenants to Arlington and shall comply with all hold harmless and indemnification provisions of this lease; and (5) any other conditions as may be required by the most current Airport Sublease Policy. Arlington may not refuse to consent to such a sublease where the sublease meets the above requirements.
- 15.3 If all or any part of the leased premises be sublet or occupied by anybody other than Lessee, Arlington may, after default by Lessee, collect rent and leasehold tax from any and all subtenants or occupants, and apply the net amount collected to the rent reserved herein, but no such collection shall be deemed a waiver of any agreement, term, covenant or condition hereof nor the acceptance by Arlington of any subtenant or occupant as tenant.
16. ACCESS. Lessee will allow Arlington or Arlington's agents free access at all reasonable times and upon at least twenty-four (24) hours notice to said premises during normal business hours for the purpose of inspection. Nothing herein shall be construed as in any way limiting the authority of Arlington's Building Official under existing law.
17. INDEMNITY AND HOLD HARMLESS. The Lessee agrees to indemnify and hold Arlington harmless as provided herein to the maximum extent possible under law. Accordingly, Lessee agrees for itself, its successors, and assigns, to defend, indemnify, and hold harmless Arlington, its appointed and elected officials, and employees from and against liability for all claims, demands, suits, and judgments, including costs of defense thereof for injury to persons, death, or property damage which is caused by, arises out of, or is incidental to Lessee's exercise of rights and privileges granted by this Lease Agreement.

The Lessee's obligations under this section shall include:

- a. Indemnification for such claims whether or not they arise from the sole negligence of Lessee or the concurrent negligence of both parties, except to the extent of Arlington's negligence or the negligence of one or more third parties;
- b. The duty to promptly accept tender of defense and provide defense to Arlington at Lessee's own expense;

- c. Indemnification of claims made by Lessee's own employees or agents; and,
- d. Waiver of Lessee's immunity under the industrial insurance provisions of Title 51 R.C.W. but only to the extent necessary to indemnify Arlington, which waiver has been mutually negotiated by the parties.

In the event it is necessary for Arlington to incur attorney's fees, legal expenses or other costs to enforce the provisions of this section, all such fees, expenses and costs shall be recoverable from Lessee.

In the event it is determined that R.C.W. 4.24.115 applies to this Lease Agreement, Lessee agrees to defend, hold harmless, and indemnify Arlington to the maximum extent permitted thereunder, and specifically for its negligence concurrent with that of Arlington to the full extent of Lessee's negligence. Lessee agrees to defend, indemnify, and hold harmless Arlington for claims by Lessee's employees and agrees to waiver of its immunity under Title 51 R.C.W., which waiver has been mutually negotiated by the parties.

The policy shall include Arlington as an insured for its vested interest in the property. A certificate of insurance shall be provided to Arlington.

During the term of this Lease, the proceeds from any such policy or policies of insurance shall be used for the repair or replacement of the fixtures and equipment so insured. Arlington shall have no interest in the insurance upon Lessee's equipment and fixtures and will sign all documents necessary or proper in connection with the settlement of any claim or loss by Lessee. Lessee shall furnish Arlington with a certificate of such policy and whenever required shall satisfy Arlington that such policy is in full force and effect within thirty (30) days of the commencement of this Lease.
